An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Roy Kim on February 2, 2011.

The application has been amended as follows:

The following changes to the drawings have been approved by the examiner and agreed upon by applicant: due to the fact that the replacement sheet filed December 20,2010 was not in agreement with the specification figure numbering, the replacement sheet was not approved for entry. However, the Applicant's Representative Roy Kim agreed amend the original drawings such that the middle and bottom figure thereof are to be labeled "Figure 2A" and "Figure 2B", respectively. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.
